## **Secretary's Report for 2023**

It has been my pleasure to serve as Secretary of Stein Collectors International, Inc. for the past six years. I have had the pleasure of serving with some of the best Executive Committee members in the past five years. I have appreciated the cooperative spirit and teamwork of this Executive Committee. We all worked together well and I believe the Executive Committee is a stronger group.

This year was the first year since I have been a member of the Executive Committee to have people willing to accept a position on the Executive Committee when asked without arm twisting or to come forward and volunteer! What a pleasant surprise.

I am a firm believer that if you belong to an organization, you also need to support the organization by contributing time, talent, and treasures. I have served as a Board of Director Member at the local chapter level and I have been a local club chapter President and Vice President as well as the Newsletter Editor. I have had the pleasure of being a Board of Trustee Member at the Stein Collectors International (SCI) level, I have also served as the SCI Chapter Development Officer for four years, prior to my years of being the Secretary.

Prosit,  
Joann Ellis, Secretary  
Stein Collectors International, Inc.
