

## *NEW ENGLAND STEINERS*

### July 2023 Member Newsletter

#### Summer meeting update:

Another good turnout for our June meeting at East Side Restaurant in New Britain. It was great catching up with everyone, seeing how Stu's knee was healing and doing stein shopping for a couple of the June birthdays!

Time flew by and we didn't take a lot of pics other than the gents below posing with the mascot, so you'll have to believe us when we say the beer was cold, the dinner delicious, and a great time was had by all.

#### Next Chapter Meeting

In lieu of a local chapter meeting this fall, we are planning a "triple header" meeting with the Burgermeisters and the NY Uppersteiners for Oktoberfest celebrations in September. We have 14 rooms reserved at Riedlbauer's Resort for September 22 - 24. Riedlbauer's Resort is located at 57 Ravine Drive, Round Top, NY 12473. A draft agenda is attached at the back of this newsletter.

This is guaranteed to be a great time and certainly will be a sold-out event, with other options for lodging in the area are hard to come by. Time is running out to claim your spot so please let us know if you plan to attend as soon as possible. If you would like to attend, please send a \$50 deposit to Ron Jacob at 64 South Worcester St. Norton, MA 02766 by July 29th. After that we will be releasing unclaimed rooms back to the public. The Resort's rate for the weekend is \$101 per person, per day double occupancy or \$103 pp single occupancy, with a two-night minimum for the weekend. This includes three full meals daily served Family Style, all you can eat, with German American cooking.

This is their last Oktoberfest weekend with nightly entertainment. Saturday will feature the "Mountain Express Band" in Nussy's Bier Garten. There is plenty of parking and space to set up your own stein table(s). *You must bring your own tables.* This promises to be a most enjoyable and memorable weekend that is very affordable and great for networking with other SCI chapters.
