## September 2022 Member Newsletter

### Summer meeting update:

Last month we held our summer meeting at The Eastside Restaurant in New Britain, with quite the crowd in attendance. We had several friends join us as well as some potential new members, who all enjoyed some great conversations, great food and their beverages of choice.

During the meeting we discussed some chapter business including confirming member preference to hold four meetings a year going forward where two would include guest speakers. We reviewed some schedules for summer events at Riedlbauer's resort, and were going to try to schedule a group outing there next year. At this time they are sold out for the 2023 Summerfest, so we will be looking for possible alternatives.

Before the meeting ended a few steins even changed hands. Check out a couple pictures below.

### Holiday meeting:

For our holiday chapter meeting, Alan & Luis have graciously volunteered to host at their house in Bloomfield, CT on the first Sunday in December. If you haven't been over in a while, their stein collection continues to grow and be refined, so is definitely worth spending a few minutes checking things out. Luis will again be cooking up some amazing food with tons of great desserts, so please save the date (December 4<sup>th</sup>) and RSVP by November 20<sup>th</sup>. See additional details on next page.
