

Stein Collectors International, Inc.

President's Report for 2023

It has been my pleasure to serve as President of Stein Collectors International, Inc. for the past three years. Finishing out a term for former President, Mike Whited and then being elected for another two-year term. Previously, from 7/3/2015-2016, I had completed an Executive Director Term when Dave Lowery resigned.

As with any organization there have been some great leaders in the group. I have had the pleasure of serving with some of the best in the past three years. I have appreciated the cooperative spirit and teamwork of this Executive Committee. May your next Executive Committee gel together have a great upcoming year or two.

Prosit,
Fred Ellis, President
Stein Collectors International, Inc.
